

**YOUR VOTE
REALLY
MATTERS**

**APPLY FOR A
POSTAL VOTE
TODAY!**

Make sure your voice is heard. Apply for a postal vote today and cast your vote from the comfort of your home and in your own time.

Voting by post is an easy and convenient way of voting if you are unable to get to the polling station to vote in person on **THURSDAY 2nd MAY 2019**

Who can apply for a postal vote?

Any registered voter can apply for a postal vote. You do not need to give a reason to vote by post.

How do I apply?

To vote by post, give us a call on **0115 9461333** and arrange a form to be sent. Once you have completed the application form you need to return it to us or you can send it direct to the Council. Your application form must be received by the Council no later than **Monday 15th APRIL 2015** for your application to be successful.

Can I apply on-line?

You cannot apply on-line because the electoral registration office needs your signature to combat voting fraud. However, you can download and print an application form at www.aboutmyvote.co.uk and send it direct to the Council.

Where can I get my postal vote sent?

A postal vote can be sent to your home address or to any other address that you give. Postal votes can be sent overseas, but you need to consider whether there will be enough time to receive and return your ballot paper by election day. Why not apply for a **Proxy Vote if abroad?**

When will I receive my ballot papers?

Postal votes are usually sent out about a week before election day. Once you've got it, mark your vote on the ballot paper and make sure you send it back so that it arrives by close of poll (which is 10pm on election day). If it arrives later than this your vote won't be counted.

If I have a postal vote can I still vote in person?

Yes, but only if you take your completed postal vote, together with your declaration of identity, to the polling station before 10pm on polling day.
